

III-I Index Code Table Reporting

At the beginning of the fiscal year, each agency establishes an Index Code Table. An Index Code is assigned to the lowest level of organizational detail. Each Index Code Table contains the organizational classification, including the internal agency hierarchy of Section, Sub-Section, Unit, Sub-Unit, and Sub-Sub-Unit. Additionally, a Location and Project Code may be referenced in the Index Code Table. A more detailed description of the Index Code Table is in Volume II, Chapter IV-IC.

File Information

The Index Code Table does not contain financial information. The key to the Index Code Table is the Organization Code, Index Code and Funding Fiscal Year. Detailed description and illustration of the Index Table report is on the following pages.
